

Kode²Sphere

v1.0

Gear up for an electrifying resurgence as Konnexions ignites the stage with **KodeSSphere v1.0** on March 17th. Explore a thrilling tech extravaganza brimming with cutting-edge advances in web development, app creation, and the captivating world of machine learning. Plus, it's beginner-friendly, making it the perfect arena for novices to step in and shine alongside seasoned tech enthusiasts.

Konnexweb

Konnexweb puts your web dev skills to the ultimate test! You'll face a real-world problem and need to craft a user-friendly web interface that seamlessly connects with an API to solve it. Gear up to showcase your expertise and problem-solving abilities – Konnexweb is ready to push you to the limit!

Kognizance

Kognizance challenges coders with real-world problems. Build, win big, and shape the future!

Kognizance - The App-Development Event is throwing down the gauntlet, and it's your chance to create a super-charged mobile app that'll turn dreamers into doers.

Kernel Kombat

Kernel Kombat, part of the KodeSSphere series, is not just another hackathon. It's a deep dive into Machine Learning, where you can showcase your coding skills and solve real-world problems. Hosted by Konnexions, the IT WEB SOCIETY of KIIT, this event offers challenges and the opportunity to be part of a community shaping the future of tech.

KodeSSphere by Konnexions is not just a hackathon; it's a celebration of technology, creativity, and community. Alongside coding challenges, there are

Bollywood/Hollywood and tech quizzes for added fun. Participants have the chance to win cash prizes and exciting goodies worth up to 21,000 rupees, and all participants will receive certificates. KodeSSphere is a milestone in your tech journey, offering challenges, fun, learning, and unforgettable memories.

Event Highlights-

1. KodeSSphere welcomes all skill levels! From coding masters to curious beginners, there's something for everyone.
2. The event consists of 2 phases with an intermission. All Participants are required to be present in both the phases.
3. KodeSSphere doesn't just test your skills - it expands them! The Event also covers an insightful and interactive workshop to level up your coding knowledge.
4. Winners will enjoy a trove of prizes and up to 21,000 rupees cash, celebrating their triumph in this innovative journey.
5. Participants will have numerous chances during the event to win exciting goodies and giveaways, including cool merchandise, eateries, and more.
6. A certificate of participation will be issued to participants only upon completion of both phases of the event.

Registration Rules for Participants:

1. Each team must have a minimum of 2 and a maximum of 3 participants. No team can register more or fewer members than this limit.
2. All participants must register using their KIIT email ID. This is to ensure that only students or affiliates of KIIT can participate in the event.
3. Upon successful registration, an auto-generated Unique ID will be provided to each participant. This ID will be used for identification and verification purposes throughout the event and must be kept safe for future reference.

4. Participants are not allowed to be a part of more than one team. If discovered, both teams may be disqualified from the event.
5. The event is divided into two phases. Participants must commit to attending both phases of the event to be eligible for the final recognition or award.
6. Failure to attend both phases will result in disqualification from receiving the final ID card or any certificates of participation.
7. Participants who successfully attend both phases of the event and comply with all the rules will receive a Completion Certificate.
8. Failure to adhere to any of the above rules may result in immediate disqualification from the event.
